

Riverfront Golf Club is situated on the banks of the Nansemond River, near the mouth of the James River. The spectacular layout takes full advantage of its dramatic and unique riverside location. Riverfront is an old-style course that winds its way through riverfront acreage, tidal marshes, huge oaks and pines and vast rolling farmland. It offers a truly amazing setting for a great round of golf. Riverfront was voted 4-1/2 stars by Golf Digest and included in "40 best Daily fee courses" by 'Golf and Travel Magazine'. This course is a "must play" in the Hampton Roads area for golfers of all abilities.

**21st Annual Gathering of Men
 Golf Tournament**
Friday, May 4, 2012 • 12:00 noon
Riverfront Golf Club, Suffolk

**No Amount of Success in the
 Marketplace will make up
 for Failure at Home**

The tournament will begin with a nice lunch at noon. We will be playing a four-man, Captain's Choice format. As always, there will be many outstanding prizes. The tournament will be flighted and there will be a First, Second, and Third Place in each flight, giving everyone a chance to win a great prize. All prizes will be given at the Awards Dinner immediately following the tournament.

The goal of the Gathering of Men is to strengthen the men of our community, and thereby strengthen their families. Never in the history of mankind has the family been under attack like it is today. Divorce has reached epidemic proportions, leaving in its wake confused and wounded children. James Dobson has said, "I have concluded that the accumulation of wealth, even if I could achieve it, is an insufficient reason for living. When I reach the end of my days, a moment or two from now, I must look back on something more meaningful than the pursuit of houses, land, machines, and stocks. Nor is fame of any lasting benefit. I will consider my earthly existence to have been wasted unless I can recall a loving family, a consistent investment in the lives of people, and an earnest attempt to serve the God who made me." The Gathering of Men, through conferences, seminars, individual counseling and small groups, has touched the lives of thousands of people across Hampton Roads. For over 40 years Ike Newingham and his staff have faithfully served the people and churches of our community.

GLENN ODER
 Former Delegate,
 Virginia
 General
 Assembly

As a former legislator, I have seen the struggles that people face. One huge problem is the decline in the families of our communities. The Gathering of Men, through their seminars, small groups, and individual counseling, touches many lives, strengthening families. They help people from all walks of life through difficult times in their marriages, raising their children, and literally all the twists and turns that life can take. I am grateful for the significant role they have played in so many people's lives. I am amazed at the number of leaders I meet whose lives have been touched by the ministry of the Gathering of Men.
